

# Getting to know your class activities

## We are all unique

### Your challenge

**Plan:** Using the activity idea below develop a plan on how you would deliver this to your class adapting to Meet the needs and ages of your class.

**Create:** Create the resources to deliver the activity- The hands, stalk, text and background. You will need one set of the resources for the workshop. You can make an additional copy of the resources to take away with you.

**Deliver:** You will deliver a trial run of the activity within the workshop with your peers today. Use it as an opportunity to understand what works well and not so well.

**Fine tune:** Ask your peers for feedback and take this into consideration when planning for your class.

### The Activity:

Each child draws around their hand and cuts it out, with support if required.

Encourage and support each child to write words or draw pictures on the hand of the things that are important to them.

Encourage the children to share with the class what they have written/ drawn and add to the wall display.
